

2nd COVID19 VACCINATION DRIVE BY SWA IN PARTNERSHIP WITH NETFLIX

28 - 30 August 2021

Taj Lands End Banquet Halls
Bandra West, Mumbai

Registration Link: <https://forms.gle/tE2SS9QNsMopbTc17>

IMPORTANT INSTRUCTIONS

- Please only come **15 minutes** early to your appointment.
- Wear a short sleeve shirt if possible.
- Bring your Aadhaar card, CoWin beneficiary ID and details of any past vaccinations (e.g. whether you have received the first jab of Covishield).

What to expect at the vaccination site:

- Step 1 - When you arrive at the Taj Lands End banquet space, you will go through visitor registration and our safety officers will hand out a Vaccination History Form as mandated by the hospital. They will then escort you to a doctor's consultation.
- Step 2 - Our safety officers will guide you to a doctor's consultation room. Once your consultation is completed and you are cleared to receive the vaccine, you will be escorted to the registration section.
- Step 3 - At registration, your Govt ID / Aadhaar details and vaccination form will be verified. Once that is completed, safety officers will guide you to the vaccination area.
- Step 4 - You will receive a token at the vaccination area. Please wait your turn, and once your number is called, our safety officers will bring you to the vaccination booth.
- Step 5 - In the vaccination booth, a nurse will administer the vaccine and an administrative assistant will update vaccination details on the government portal.
- Step 6 - Once you have been vaccinated, volunteers will escort you to a waiting area, where you are required to wait for 30 minutes in case there are adverse reactions to the vaccine. Once the time is up, and if you have not had any adverse reactions, you will be escorted to the exit. Please ensure you return your token to the security officer before you leave.

FREQUENTLY ASKED QUESTIONS

Q: Where is the vaccination drive located?

A: At Taj Lands End, Mumbai: Band Stand, BJ Road, Mount Mary, Bandra West, Mumbai, Maharashtra 400050 Landmark: Next to Fr. Agnel Ashram, Bandstand Promenade

Q: I had registered for the first dose, do I need to re-register for the second dose?

A: Yes, we request you to re-register yourself and your dependents for the second dose

Q: Why do I need to re-register as I had already registered for the first dose

A: As per internal compliance mandate, we had deleted all the previous data. Moreover there will be a few members who might be travelling / not available for the second dose / already took the second dose elsewhere; hence these jabs can be used for others.

Q: Is there parking available at the hotel?

A: Taj will provide dedicated parking at the premises subject to availability.

Q: Do I need to install the Aarogya Setu App?

A: It is advisable to install Aarogya Setu App however it is not mandatory.

Q: Which vaccine are we getting?

A: Covishield

Q: Why is Covaxin not being offered?

A: Our hospital partner has secured vaccines from the Serum Institute, which manufactures Covishield and doesn't manufacture Covaxin.

Q: How long will the entire process take?

A: The total duration, from the time you get to the building until the time you exit, is approximately 1 hour. In case we get an overwhelming response, please expect slight delays.

Q: Who is included in “partner +2”?

A: Family members (partner, parents, kids, siblings etc) are eligible within the 2 dependents, as are people who live with you, for example roommates/flat mates and house help (maids, drivers, etc.).

Q: I have already taken the first dose, can I take the second dose in this vaccination drive?

A: Yes, if the first dose that you received was Covishield and it has been at least 84 days since your first jab. Your CoWin registration also needs to reflect that your first

Covishield jab was completed at least 84 days ago. If you have taken the first dose before new regulation came, CoWIN might show that you are due for the second dose. But, you still need to maintain the 84 days gap between 2 doses. If you come for the vaccination, the CoWIN portal will not permit hospital staff to update the second jab before 84 days.

Q: I was positive and recovered sometime back, when can I take the vaccine?

A: If it's been 90 days since recovery, then you are eligible to take the vaccine. However it will be dependent upon the on-site doctor's recommendation after checking your medical history. Please refer to [hospital criteria](#).

Q: How do I get the Beneficiary ID?

A: Once you have used your OTP and registered yourself on CoWin using Govt ID / Aadhaar, you can click on your name and you will find your beneficiary ID on the app.

Q: What is the difference between REF ID and Beneficiary ID?

A: If you register through the CoWin portal you will get the REF ID, if you register through the Aadhaar card, you will get the beneficiary ID. Both are the same.

Q: Do I need to get a Beneficiary ID for myself or all my dependents coming for the vaccination?

A: You need a beneficiary ID for all. You can register up to 4 members using one phone number.

Q: What if someone faints or is not feeling well after the vaccination?

A: A medical emergency room has been set up with a doctor and a nurse to attend to anyone who experiences adverse reactions to the vaccine. In case of emergency, we will have an ambulance stationed at the premises equipped with life support machines.

Q: Do I need to prepare or check anything else before coming for the vaccination?

A: Please refer to Pre/During/Post vaccination information provided earlier in this document.

Q: What if I don't get Aadhaar for the vaccination, will other Government IDs be considered?

A: You may carry the Govt ID proof that you had used for enrolling on the CoWin portal.
